Course Difficulty Document

Project Name	Visual Schedule Builder Plus (VSB_Plus)

Generate difficulty tag for course

Using the average grade of class to generate the course difficult. For example, if one class's average grade is under the 50, it will get the very difficult tag.
Very difficult: Average <= 50
Difficult: 50 < Average <= 60
Normal: 60 < Average <= 75
Not bad: 75 < Average <= 90
Easy: 90 < Average <= 100

Performance Requirements

It could be better that using the bar or chat group to visualize the difficult, grade trend or distribution.
